

CALCULATION OF YEAR OF ENTRY

The Early Learning Centre at Northbridge is co-educational. The Pre-School accepts students for 3 year old and 4 year old classes. Students in the pre-school must be 3 years of age before they are able to commence. The main entry level for Lower Primary School is Kindergarten (5 years of age by 11 May of the year of entry).

Boys only are accepted from Year 3 onwards at North Sydney. The School's main points of entry are Years 3, 5 and 7. The School will accept a small number of boys in non intake years when vacancies occur due to the withdrawal of current students. Day student places in Years 8-11 are offered after a thorough review of the student's most current school report and an interview with the Deputy Headmaster.
