## Anxiety in Children

In recent years, there has been much community discussion about anxiety in children and the negative impact it can have on their development. One of the ways to prevent some of the consequences of more serious anxiety conditions is through early detection.

Some Preparatory School families who live in the Hornsby / Ku-ring-gai local government area may be interested in enrolling in a seminar run by the Hornsby Child and Youth Mental Health Service (CYMHS from NSW Health). The seminar is a one-off 2 hour presentation for parents of children aged 4-10 yrs. It discusses the nature of anxiety and the different ways it may present in children, risk factors and potential implications for parents and children, as well as identification of practical strategies and resources that can assist.

### Allergies

You will no doubt be aware there are a number of children throughout the school who have allergies to different substances, most commonly to foods such as nuts. As these children grow older they are able to better manage their interactions with foods so as to avoid contact with substances that will harm them. An important strategy in the management of allergy risks at school is to ask children not to share food. I would ask that parents continue to enforce this strategy in discussions with their children.

However, throughout all years of the School we have some cases of very serious allergies that I would like to draw your attention to and ask you to help us keep the affected children safe. As a starting point, please avoid sending to

school products that contain nuts.

Recently there have been some healthy snack options produced using broad beans, also called Fava or Fav'va Beans. These products have become popular with some children at the School. Unfortunately, there is a student who is severely allergic to these beans. So please check any snack products you are purchasing and do not send in products that contain this substance.

I appreciate your assistance with this important matter.

### Art Show

The Art Show is almost upon us. The works from all the children, ELC through to Year 6, began to be put up today and all will be ready for the official opening next Monday evening, 31 July beginning at 6pm (doors will be open from 5:30pm). The works of art will be on display until the end of next week, so if you cannot make the opening, make sure you book in some time later in the week to visit the show. It promises to be a wonderful showcase of the artistic talent we have in our midst at Shore Preparatory School. Thank you to Miss Schlunke, Mrs Tesseyman and the ELC educators for their efforts in getting everything ready for the big event.

### Cross Country Achievement

– Oliver Stokeld and Lachlan Brown

Congratulations to Oliver Stokeld and Lachlan Brown who competed for the Combined Independent Schools (CIS) team at the PSSA State Cross Country Championships last Friday. It is a huge achievement to compete at this level – the highest schools carnival in the state. Well done boys – we are very proud of you.

### American Tea – Friday 8 September

In recent years the American Tea has been held on the first Friday in September. Please note that this year, the American Tea will be held on Friday 8 September. I look forward to seeing many of you there on the day.

## Learning Precepts

On Monday at our assembly I spoke with the boys about four key learning precepts that I want them to adopt during the term. We are inquisitive and curious, we ask good questions, we respectfully learn together and we make the most of every second are precepts that will provide a framework for the boys as they engage in inquiry based projects and learning in the classroom and beyond this term. We live in an amazing world and school provides a structured opportunity for the boys to learn about it and themselves and others in the process. I spoke about incredible places like Truk Lagoon, Varosha, the Lechuguilla cave, Iron Mountain and the Domsday vault with the hope of igniting some interest and passion for learning this term.

## Athletics Carnival

We are all looking forward to a fantastic day for next Friday's Athletics Carnival at Northbridge. It was wonderful to see the House Captains, aided by some enthusiastic Year 6 leaders, teaching familiar and new war-cries to the younger students in their houses on Wednesday at Buddies. The children were energetic and boisterous in their cheering. The house spirit on display will undoubtedly be one of the most enjoyable features next Friday. Mr Mancey, staff, boys and parent helpers have worked very hard to complete trials and preliminary events before the day. The carnival commences with roll call at 8.15am and is anticipated to conclude at approximately 2.30pm following the presentation ceremony. Students will not be dismissed until the conclusion of proceedings. Further details are available on the Games page and in Mr Mancey's letter to parents. We look forward to many parents joining us on the day.

## Sports Dinner

Our annual Prep Sports Dinner will be held on the evening of Friday 18 August in the Boarder's Dining Hall. Invitations for parents of boys in Years 4-6 were distributed this week. The Sports Dinner is one of the major social functions in the Preparatory School calendar. It is a celebration of the boys' many wonderful sporting moments this year and the only chance to gather in such numbers for a sit-down meal. Please book your tickets before Friday 11 August via the Trybooking link on the invitation. I look forward to seeing you there.

## Uniform - Shiny Shoes & Tidy Hair

Caring for appearance is a visible and important way of displaying pride and belonging in one's self and school. By and large, the boys do an excellent job of wearing the Shore uniform with pride. I can assure you it is a very well-recognised uniform in our local community and we receive many positive comments from members of the public. At the end of last term, we focused on brushing our hair each morning and making sure the boys polished their shoes over the weekend to ensure they are in top condition for the new school week. Hair brushing should be part of the daily routine for each boy and shoe polishing should be a part of each boy's weekly

routine, although in some cases, more regular attention may be necessary.

## Medallions of Excellence

All Year 6 students who have met the minimum requirement for certificates should present these to Mr Larby before formally applying to Mr Saunders for consideration for a Medallion of Excellence. Boys wishing to be considered this term must submit their written application by Thursday 7 September. Recipients will be presented with their medallions at the final assembly of Term 3 on 18 September. Students will also have another opportunity in Term 4 should they miss the Term 3 deadline.

## Office Foyer Display

Congratulations to Mr Tooker and the boys in 6T for their wonderful display in the office. The boys have created digital posters about different types of government as a way to demonstrate their learning during their HSIE unit.

## House Points and QCA

Congratulations to 6D for being our Quality Class in Week 1. It has been wonderful to see the team effort that has gone into winning this award. Well done also to the boys in Baker and Linton house who have started the term as our weekly House Points winner.

## Year 6 Thank You Dinner - Save the Date

The annual Thank You Dinner for Year 6 students and parents will be held at Roseville Golf Club on Wednesday 15 November. Please save the date for this special celebration. Invitations will be distributed next term.

Mr Adam Larby

Deputy Head of the Preparatory School - North Sydney

## Library News

There is a new face in the Prep Library for Term 3, Mrs Gallagher has replaced Mrs Pickworth for this term only. The Children's Book Council (CBC) has chosen "Escape to Everywhere" as the theme for 2017. Look out for activities and competitions during Book Week 19-26 August. The shortlisted books will be shared with you in Library lessons. Please have a closer look during lunch.

On Thursday 24 August the master of mystery and adventure Jack Heath will visit The Preparatory School and each year group will spend an hour with him. For a sneak peek visit: <https://jackheath.com.au/>

His books will be shared in class time and are available for pre-purchase. Jack can autograph personal copies during his visit. An Order Form is included with Prep Peek. Orders need to be returned to the office by Thursday 10 August.

The deadline is also approaching for **The Premier's Reading Challenge**. Please complete your challenge and your online reading log by **Friday 25 August**. Ask at the Library if you need any help.

## Art Show

Our hall and music room are beginning to look like an amazing art gallery. On Monday night we will have the official opening of our Prep School Art Show from 5:30pm - 7:00pm (speeches at 6:00pm). All children and families are invited to attend. Children should wear their school uniform (no formal hats or caps). If you are unable to attend the official opening, the art will be on display all week and will be open to Shore families from 8:00am - 5:30pm from Tuesday until Friday.

## Car Signs

Please ensure that your car sign is used every day at car lines. It is often very difficult for staff to see through tinted windows to see which child is needed for which particular car. Having the car sign also speeds up the pick-up process as the children can be ready for when the car pulls up. If you need a new car sign, please contact Mrs Lockyer.

## Left turn into the car-park

May I remind all parents that Willoughby Council requires all cars entering the school to turn left **INTO** the car-park. This means that no car should turn right into the car-park from Sailor's Bay Road. Please remember that it is also left turn only when exiting the car-park. Thank you to the parents who continually do the right thing.

## American Tea

The American Tea Committee, ably led by Kate Hills, is in the process of organising our Northbridge American Tea, which will be held on Friday, 8 September. Over the next few weeks, the committee and class parents will be asking for donations of different items. Please support our school by sending in donations promptly to help make it another fantastic American Tea. Please contact your class parents for more information. Thank you in advance.

## Boys' Haircuts

Presently, there are some boys who are in desperate need of a haircut. The school rules require boys' hair to be "neatly cut above the ears and collar and tapered at the back". Please ensure your son's haircut is neat and tidy at all times.

## Girls' hairstyles

A reminder that all girls must have their hair tied back if the length of it touches their collar. As you can appreciate, schools are rife with headlice and this is one way we aim to keep the headlice at bay. Girls' hair should be tied back with red or navy ribbon or a plain headband. Although flowers and sequins are beautiful, please keep hair accessories simple and plain at school.

## Week Without Words

As part of our Buddies programme this term, the children at Shore Preparatory School will be participating in activities to understand the importance of communication. This will be tied to the Week Without Words campaign run by St Lucy's School, Wahroonga. In the lead up to the activities being held later in the term, Shore will be collecting the *Woolworths Earn & Learn* stickers on behalf of St Lucy's. You can collect the *Woolworths Earn & Learn* stickers from now until Tuesday, 19 September 2017. Place them on a *Woolworths Earn & Learn Sticker Sheet*, ensuring that you write **St Lucy's** where it asks for your school name and drop the sheet into the Collection Box in the ELC, K,1,2 or North Sydney office. More information has been sent home.

## Assemblies

Thank you **Year 1T** for your assembly on Wednesday. Well done on the first assembly of the term. Next week we won't have an assembly as our Assembly Hall will be filled with beautiful art. Congratulations to 1J on winning the **Quality Class of the Week Award** for this week and for being our Chapel Money Champions for this week. What a great way to start the term.

## Important Dates:

**Monday, 31 July to Friday 4 August** – Art Show

**Tuesday, 1 August** – '100 Days of School Celebration' for Kindergarten

**Wednesday, 2 August** – Bamboo Theatre Incursion

**Thursday, 3 August** – Year 1 Excursion to Rouse Hill

**Thursday, 10 August** – Girls' Afternoon

Natasha Mitchell

Deputy Head of the Preparatory School - Northbridge

## Global education is not a choice, it's an obligation

Do you often wonder if there is more to the world than Donald Trump? 5K certainly do. Each week, we embark on conversations and activities that promote more worldly thinking.

Known as 'Global education', it is about empowering our students to be successful world citizens. One of our school aims states we will provide students with challenges that will help them *all be responsible citizens with an attitude of service to others*.

As Reimers (2013) states, "Following World War II the creation of the United Nations and the adoption of the Universal Declaration of Human Rights which included education as one of the basic rights whose pursuit would help achieve peace, reflected a cosmopolitan aspiration for education: that it could help students discover their common humanity with others".

In reality, it is a vital ingredient for all schools. To make it a success, key components need to be considered to ensure we provide an environment that reflects the real world. Why, you ask? Because school is the place where young minds can be nurtured to think in a way that creates understanding, tolerance and harmony. We no longer live in a time when everyone is separate. Our lives are interconnected and we need to understand each other to ensure the world is a happy, safe and fair place to be.

We belong to a school community that is extremely lucky. We are continuously improving our educational setting by renovating or building new structures that will create an even more harmonious learning environment. The training of teachers is ongoing but what are we teaching the students

about the world beyond the gates of the school?

At the beginning of the year, Shore established a relationship with the New Britain Palm Oil School (NBPOL) in Popondetta, Papua New Guinea with some classes in Years 4, 5 and 6. Through this, the boys have come to realise that while there are similarities between the two ways of life, there are some very stark differences.

Creating a culture of considering others in the worldly community is something that needs to be fostered and developed. Global education in 5K is made relevant so that the students leave the classroom continually wondering about the world and how to improve it. Using thinking routines as well as research in particular areas assists the boys to develop the necessary skills.

So many global problems could be helped if we all cared just a little more and took action in considering the views of those beyond our shores.

Emily Kleinig

5K Class teacher

## 'Sharing Culture' Gwenda Stanley

*Gwenda Stanley hails from Moree in North Western NSW and belongs to the Corben Gomeroi people. For over twenty-five years she has toured Australia and New Zealand as a part of the Mirii Yulugi Star Dancers. She brings a deep knowledge and passion for her culture to every performance she delivers.*

We welcomed Gwenda to the ELC to share her rich Indigenous culture with the children through dance, story, artefacts and language. Gwenda told the children about the important tools that Indigenous people used including boomerangs, cutting tools and weaving bags. The children learnt about the significance of these implements and that they are all re-sourced from the natural environment. Gwenda explained that everything the Aboriginal people used was made from nature. Gwenda warmly invited the children and teachers to dance and follow movements that are used by her people. After the performance, we all gathered together in a Yarning Circle where Gwenda answered children's curious and insightful questions.

*"This is a time where we can share, tell stories, and ask questions. Side by side, shoulder to shoulder, it is our time to share" – Gwenda.*

Frances Bondad

## Art Show Opening Night

The ELC artist have been fastidiously creating a collection of outstanding pieces for the art show!

Please come to the opening night on **Monday 31<sup>st</sup> July from 5:45pm with an official opening at 6:00pm.**

The art exhibition will be open all week from 9am until 4pm.

## Grandparents Morning Tea

Wednesday 9 August – 3 and 5 day children

Thursday 10 August – 2 and 5 day children

The boys and girls of the Shore Early Learning Centre warmly invite their grandparents or special friends to the Centre for morning tea. Rehearsals have begun and the ELC children are excited to share some of their favourite songs with their grandparents and special friends. Guests are welcome to arrive from 10:00am. At 10:15am, the children will sing a few of their favourite songs before sharing a delicious morning tea. After morning tea, the children will invite their guests on a tour of the Centre. The event concludes at 11:30am.

Please dress warm for this event, as we will be enjoying an outdoor performance.

## Parent Notes

Term 3 is an extremely busy time at the ELC, please keep up to date with the community calendar and check your child's locker for important notes. Also the class representatives will be providing you with additional information on Term 3 events. Feel free to ask Miss Penny or me for details on our upcoming events.

### **Athletics Carnival**

On Friday 4 August, the Shore Preparatory School Athletics Carnival will be held at Northbridge Playing Fields. All boys must attend and are asked to arrive at 8.00am for Roll Call at 8.15am.

The first events are field events and will start at 8.30am. Boys who have qualified in the field events will see their name on the sport noticeboard at school and will be reminded with a programme sent home. Boys who are not competing in the field event finals will participate in Year group House Games on A ground. Track events will begin around 10.00am where all boys will be given the opportunity to race in a number of events. At midday, K-2 boys and girls will join us for the K-6 House Marching Event.

\*\* Please note – boys in Yrs 3-6 will be dismissed at the conclusion of the carnival (approximately 2.30pm)\*\*

### Dress code:

All boys must wear their P.E. Uniform with their House shirt. The House polo is a plain RED, GREEN, YELLOW or BLUE shirt with NO logos. School tracksuits can be worn. Boys racing can wear spikes but must put them on in the marshalling area for their event.

The Athletics team to represent SHORE at the IPSHA Athletics carnival will be selected from the carnival. Please note the team will be based on the positions at this carnival rather than the times from previous week's Athletics trials.

**NO Lunch Orders** – Boys should bring recess, lunch and drinks for themselves. There will be no lunch orders on this day.

### **Parent/ Son 3-legged Race**

Time permitting, our annual parent and son 3-legged races will be held for students in Y3-6. Boys will need to supply their own stockings (& parent!).

## The American Tea Second Hand Bookstall is now collecting books.

Popular authors, Cookbooks and Children's books, CD's...less than 5 years' old please (We cannot accept text books, dictionaries, encyclopedias or magazines.)

We are collecting fiction, non-fiction, autobiographies, biographies and history books for both adults and children for sale at the American Tea. Books which sell well are popular fiction (aka "airport novels" and chic-lit). Award winning novels are also good sellers. But please, we can only accept donations of books LESS THAN 5 YEARS OLD, including cookbooks.

We cannot accept text books, encyclopaedias, atlases or magazines.

Drop off: School loading dock in William Street, North Sydney.

Please contact Katrina Dickson if you have any questions (M 0422 650 972).
