## SILENT AUCTION ITEMS NEEDED

We are still asking for more items for the Silent Auction. We have around 15 items but would really like to double this.

Thank you to everyone who has already been in touch with a donation for the Silent Auction. If you just haven't got around to thinking about what you can do or are not sure how you can contribute then here are some ideas.

For the **SILENT AUCTION** families can join together and come up with a "package", or what about using up your credit card points to purchase an item, or if you are connected with a business or family that is able to offer an experience, accommodation or anything that you would like then please let us know.

We really need to fill the Silent Auction by early September so please get in touch.

### BOARDERS STALL

The **BOARDERS PRODUCE** Stall will be running again and every year we receive such a fantastic array of **HOMEMADE OR LOCALLY SOURCED** produce. All types of produce is welcomed including jams, relishes, honey, marmalade, eggs, herbs, fresh fruit and vegetables, cakes, biscuits, oils and vinegars, toffees and treats.

We have labels that we can mail out to you. All you have to do is email me the quantity you require, your address and what size labels you would like. Deliveries can be made in Term 3 to David Anderson's office, Robson House prior to the Friday or direct to the War Memorial Hall on the day – although as early as possible so that we can label everything before it gets too busy.

We are of course going to need volunteers for our various stalls. Will be using the Sign up Genius booking system again but the areas we will need help are Boarders Produce (manning the stall on the day), International Food Stall (both pre prep and on the day), Oysters (opening the oysters), Silent Auction (manning the area on the day).

Please let us know if you can help.

# Shore American Tea - Gourmet Stall Convenor 2014

Are you interested in getting more involved in your son's school? Do you love creating delicious food for others? Are you an organised person who may have a few hours a week to spare?

A great opportunity exists to convene the Gourmet Stall for Shore American Tea. You can run it on your own or bring in another Shore parent/friend or two to help! All processes in place and recipes used are tried and tested - however creativity is highly regarded to come up with new ideas!

The cooking days are held at the fabulous Shore Rowing Boatshed kitchen in Gladesville - an incredible venue that provides a fun, social day out for parents.

This role provides you with a chance to get to know other parents in your son's year and beyond as all year groups are represented in the volunteer base.

*There are many benefits for students, families and schools when parents participate and engage in their child's learning environment.*
