

## Shore Parents' Association Seminar

### Raising Sexually Respectful Kids in the Age of Pornography

Wednesday 21 March 2018

Lunchtime Seminar | 12.00pm to 1.30pm

Shore Parents' Association invites parents from both the Preparatory and Senior School to attend an informative seminar by John Burns on *Raising Sexually Respectful Kids in the Age of Pornography*.

The internet and smart phones have ushered in an age when our young people have unprecedented and unfettered access to viewing online sex. For young people, natural human curiosity and hormones collide with the allure of pornography to create a parenting scenario that no previous generation has ever had to contend with.

For example:

Is there a problem with our kids watching porn?

How does porn affect my child's developing sexual identity?

Does watching porn change how my child will relate to their future (and/or current) sexual partner(s)?

Sexting - is that just normal now?

How do I talk to my kids about pornography?

**Venue:** Emery Room, Northbridge Campus

**Cost:** No Charge | Refreshments will be served

**RSVP:** 16 March 2018 | [www.trybooking.com/UDHN](http://www.trybooking.com/UDHN) | Places are limited

**Contact:** For further information, please contact
