JUNE 2020

Shore Physical Education Centre Development Update

Current Status

- On 4 May 2020, practical completion was reached for the main construction works associated with the delivery of the Shore Physical Education Centre (R A I Grant Centre).
- Public domain works have commenced which include street lighting and paving.
- Refurbishments works have commenced on the existing changing rooms in the B H Travers building.

Next Steps

- The works involving public domain, wayfinding and demobilisation of the site will continue until September 2020.
- The refurbishment works for the changing rooms in the B H Travers building and associated make-good works will continue through to October/November 2020.
